PRESS RELEASE

This weekend 9-10 May is Open Day at Bankstown, where the Padstow Branch of the Air League has organised to convert the passenger terminal into an aero modeller showcase.

But the piece de resistance will be VH-CAT the PBY Catalina recently flown from Portugal to Sydney – and now awaiting its formal Australian Certificate of Airworthiness.

The CAT will be open to visitors and many of our RAAF Veterans will be there to tell their “up to now” secret stories.

Just bring your mother along.
